### Rating Key:

**Excellent**

**Very Good**

**Good**

**Fair**

**Poor**

For more details about paper properties and contact information, please visit our website at [graphics.kodak.com/substratesolutions](http://graphics.kodak.com/substratesolutions). This Paper Selection Guide's ratings are based on Kodak tests. More details are available on our website. Price information is based on Kodak's understanding of the relative list prices of these papers at the time of last revision and are subject to change without notice. Please contact the listed paper companies for current prices.

Suitability of paper for your application will vary, customer testing is recommended before making final paper selection.
